Sir:

Please amend this application as follows:

IN THE CLAIMS:

Enter the following claims to replace the previously submitted claims of the same respective number:

- B
1. (Amended) Apparatus for processing an elastomeric article, comprising:
an enclosure having a gas-filled interior and an access port with a non-hermetic gland seal therein sized so that a person wearing the elastomeric article may insert a hand and an arm through the gland to position the elastomeric article at an article support location;
